LTТА IN PRAGUE, MAY 2024

Spain (ACV)

The Spanish experience:

From May 27th to May 31st, 2024, partners from across Europe gathered in the beautiful city of Prague for the Learning, Teaching, and Training Activity (LTТА) of the "On My Feet" project. The LTТА brought together passionate educators, youth workers, and project leaders for an immersive week of training, reflection, and exchange. Each day, we engaged in different hands-on activities tailored to the specific module in focus—ranging from interactive games and group dynamics to creative challenges and reflective tasks.

These five sessions helped us dive into essential themes such as collaboration, cooperation, communication, and critical thinking, making each day both unique and deeply enriching.

Trainers from different partner organizations facilitated each session, encouraging peer learning and open dialogue.

Representing our local community and educational initiatives, the Spanish team actively contributed to discussions and activities, and offered feedback to help improve the course materials. Beyond the formal sessions, they also stood out for their enthusiasm and warmth, becoming a cornerstone of the week's collaborative atmosphere.
